Summer Silent Directed Retreats King's House Retreat Center at the National Shrine of Our Lady of the Snows

What is a Directed Retreat?

Silent Directed Retreats – with group centering prayer experiences are open to everyone, men, and women. The first directed retreat is designed so you may adjust the length of your retreat according to your personal schedule.

Directed Retreats are a primary way to hear the voice of God through the people and events of daily experience. In today's culture it is important to have some space to pause and reflect before moving on to the next event that seeks your attention. The goal of the directed retreat experience is to allow you to go deeper into your relationship with God while savoring what is happening in your life.

The retreat includes daily meetings with your own director and periods of personal prayer using scripture. Applicants will be sent a response form to help the team select an appropriate director for each directee. Optional periods for group centering prayer are provided daily. Eucharist is celebrated each day and there is an opportunity for the Sacrament of Reconciliation during the retreat.

This year we are introducing the option of commuting to your directed retreat. Commuting rate includes all meals, prayer times, and daily meeting with a Spiritual Director (excluding lodging). Space is limited so get your registration in early.

Schedule

Directed retreats begin the first evening with 4:00 PM arrival and registration, followed by a social gathering (first night only), orientation, and dinner. The final day concludes with breakfast and 9:00 AM Celebration of the Eucharist. Length of retreat will vary according to your needs.
